

TENNESSEE COLLEGE OF APPLIED TECHNOLOGY

KNOXVILLE

Program	Course Code	Description	Customary Hours
Computer Information Technology	CIT-0101	Introduction and Safety	8
Computer Information Technology	CIT-0102	Technology Foundation	30
Computer Information Technology	CIT-0103	Career Skills	35
Computer Information Technology	CIT-0104	Keyboarding and Data Entry	15
Computer Information Technology	CIT-0105	Computer Concepts	50
Computer Information Technology	CIT-0106	Operating Systems - Windows	150
Computer Information Technology	CIT-0107	Command-Line Fundamentals	30
Computer Information Technology	CIT-0201	Word Processing I	30
Computer Information Technology	CIT-0202	Word Processing II	30
Computer Information Technology	CIT-0203	Spreadsheets I	30
Computer Information Technology	CIT-0204	Spreadsheets II	30
Computer Information Technology	CIT-0205	Database Applications I	30
Computer Information Technology	CIT-0206	Database Applications II	30
Computer Information Technology	CIT-0207	Presentation Applications I	30
Computer Information Technology	CIT-0208	Presentation Applications II	30
Computer Information Technology	CIT-0209	Application Integration	30
Computer Information Technology	CIT-0210	Internet and Email Applications	15
Computer Information Technology	CIT-0211	Web & Publishing Applications	15
Computer Information Technology	CIT-0301	PC Hardware Support	216
Computer Information Technology	CIT-0302	PC Operating System Support	216
Computer Information Technology	CIT-0401	Telecommunications Cabling	150
Computer Information Technology	CIT-0501	Networking Fundamentals	320
Computer Information Technology	CIT-0601	IT Security Fundamentals	320
Computer Information Technology	CIT-0701	Special Elective Studies	320
Computer Information Technology	CIT-0801	Hands-on-Projects	0
Computer Information Technology	CIT-0802	Co-op Work Study	0
Computer Information Technology	CIT-0803	Special Events	0
Computer Information Technology	CIT-0804	Professional Development Projects	0
