Practical Nursing

The Practical Nursing Program is approved by the Tennessee Board of Nursing. Graduates will obtain a diploma in Practical Nursing and may then be eligible to take the National Council Licensing Exam for Practical Nursing (NCLEX-PN) used to obtain nursing licensure in Tennessee. Practical Nursing is entry level nursing. Graduates are prepared with the background and skills to give knowledgeable, basic nursing care to patients with varying degrees of physical needs. Licensed Practical Nurses (LPNs) work under the supervision of registered nurses and doctors. Positions are available in hospitals, long term care facilities, physician's offices, home health agencies, and in industry. The program is one year in length and classes begin each January, May, and September. The program requires a full-time commitment, Monday through Friday. Students attend class for the first three months from 8:00 a.m. - 2:30 p.m. consisting of lecture style classes and laboratory instruction. Students will begin clinical experience in the fourth month of the program. Clinical hours and days are determined by the clinical facility and will vary. Every effort will be made to give students adequate notice of their clinical schedule. A criminal background check is required. Clinical facilities require this background check and may determine that a student is ineligible to attend clinical at their facility. Practical Nursing students are accepted based on a points system. The 50 students who accumulate and provide documentation for the most number of points will be selected every trimester. A breakdown of the points system is located on the last page of this brochure. Simply passing the Compass test does not guarantee entry into the program. If you are accepted into the program you will be required to submit a negative ten panel drug screen. Proof of CPR of Healthcare provider certification in Adult, Infant, and Child CPR/AED/Choking is required with application. Online CPR certification is not acceptable unless the certification included a face-to-face instructor verification certificate. Failure to submit this by the deadline will forfeit your entry into the PN program.
