The Tennessee College of Applied Technology - Knoxville is one of 40 institutions in the Tennessee Board of Regents system, which is comprised of thirteen community colleges and twenty-seven colleges of applied technology. Since founding in 1966, the Tennessee College of Applied Technology - Knoxville has served thousands of area citizens by providing its quality, state-of-the-art training in courses that prepare students for employment in today's technologies and enhance the career potential of workers who are currently employed.

ACCOMMODATIONS

The Tennessee College of Applied Technology Knoxville is committed to providing opportunities and accommodations in higher education to all academically qualified students with disabilities. This commitment is consistent with the Tennessee College of Applied Technology Knoxville's obligation under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 (ADA).

In order to receive "reasonable accommodations" as set forth in Section 504 of the Rehabilitation Act and the Americans with Disabilities Act, a student with disabilities must meet the following guidelines:

1. Notify a student services counselor prior to enrollment or as the need arises.
2. Provide current documentation of the disability (Documentation is defined as a written summary from a professional who is licensed to practice in the field appropriate for diagnosing and/or treating the disability in question.)

Your Lifelong
SUCCESS Starts Here!

TCATK is an AA/EEO institution governed by the Tennessee Board of Regents

CDL REFRESHER

Do you have a Commercial Driver License (CDL) Class A or B license but have been off the road for a while? The professional truck driving instructors at TCAT Knoxville can help you get back on the road with confidence. TCAT Knoxville provides a 40 hour refresher course for individuals with recent driving experience that need to sharpen their past skills. If you need to document your driving abilities for a potential employer, you must successfully complete an evaluation of your pre-trip planning, range maneuvering, and road handling. The refresher course is custom scheduled and setup as one-on-one sessions with an instructor. Please contact Yolanda Williams for more information at (865)766-4341. Cost: \$985

Prerequisite: Current class A or B CDL license and DOT physical card

NURSING AIDE

Students enrolled in this state approved course will be trained to provide direct care to patients. Employment opportunities include: Assisted Living, Home Health, Long-Term Care Facilities, Hospitals, and Hospice. CPR is taught as a part of the course. The CPR for BLS course will be taught from 4 pm – 9 pm for the evening students. Cost: \$788

Day Class: 120 Clock Hours **Night Class:** 126 Clock Hours

IMPORTANT NOTE ABOUT CRIMINAL BACKGROUND CHECK: Applicants cannot be on the Abuse Registry or have a theft conviction. By the first day of class, applicants must provide Mrs. Linda Hafley with a background check from TrueScreen, **not the Police Department.**

Please visit <https://tcatknoxville.edu/programs/certified-nurse-assistant> for **important** information about a required Physical and TB Skin Test.

You will also find a more thorough supply list and cost breakdown! The state certification examination is pre-scheduled on a date after the course completion.

CPR TRAINING AND RECERTIFICATION

This 5 hour course teaches the skills of CPR for victims of all ages in Basic Life Support (BLS) for healthcare providers through the American Heart Association. All CPR courses are strictly limited to 16 participants.

Students are strongly encouraged to purchase 2015 BLS Provider Manual prior to course. Cost: \$83.75

E.K.G. TECHNICIAN

This is a 49 hour course designed for the student to obtain basic knowledge of the electrical activity of the heart, EKG strip analysis, how to administer a 12 Lead EKG, and prepare patients for Holter or ambulatory monitoring. Additionally, graduates will qualify to take the optional certification exam offered by the National Healthcareer Association (NHA). Cost: \$506

Prerequisite: Students must be 18 years of age and possess a High School diploma or high school equivalency.

I.V. THERAPY

This is a 40 hour course based on INS standards for licensed nursing professionals, LPN or RN, or for the Practical Nursing Graduate. Cost: \$355

Prerequisite: Students must be a currently licensed LPN or RN, or a Practical Nursing graduate awaiting state board licensing Confirmation.

MEDICAL TERMINOLOGY WITH ANATOMY & PHYSIOLOGY

Learn basic medical terms as they relate to the human body in this 40 hour course. Applicants of the Health Occupations programs are encouraged to take advantage of this program. Cost: \$305

PHLEBOTOMY

Phlebotomy is a 49 hour course designed for Allied Health workers who need to learn the clinical skill of Phlebotomy. Students will review universal precautions, specimen requirements, laboratory policies, and vein and capillary punctures. Students will learn from practicing live sticks on each other. Additionally, graduates will qualify to take the optional certification exam offered by the National Healthcareer Association (NHA).

Cost: \$596

Prerequisite: A regular high school diploma or high school equivalency AND a current CPR Certification in Basic Life Support (BLS) through the American Heart Association. **YOU MUST BRING BOTH OF THESE DOCUMENTS TO REGISTER for class!** Must be 18 years of age or older to apply.

Important note about blood borne pathogens: Due to the nature of this course, a current series of the Hepatitis B vaccine is strongly recommended!
