

Computer Information Technology

The industries relating to the installation, operation, and support of computer and network information systems are ever-expanding and challenging fields that offer a diversity of vocational opportunities for those individuals pursuing a career in this occupational area. In order to prepare students for an entry-level position in these occupations, the Computer Information Technology program has been developed to provide academic, hands-on, and valuable real-world training with the fundamental skill sets essential to those who strive to become a professional in the computer and network information systems industries.

Graduates of the Computer Information Technology program will be able to: Operate personal computer operating system and productivity software; Interact with customers on behalf of an organization by providing information about products and services, and respond to customers' needs; Provide help and advice to users of computer software and equipment; Install, fix, and maintain personal computers and peripheral equipment; Install, configure, and maintain telecommunication cabling systems; Support an organizations computer systems, including local area networks (LANs), wide area networks (WANs), network segments, intranets, and other data communication systems; Plan and carry out security measures to protect an organization's computer networks and systems.

Successful graduates of the Computer Information Technology program will be able to demonstrate their knowledge and application of these fundamental skills, as well as present a competent and professional attitude to prospective employers who have a need for these specially trained individuals.

Program/Location		Length	Days	Time
Day Program/ Knoxville Campus		20 Months	Monday-Friday	8:00 am—2:30 pm
		Completion Award		Hours
Curriculum/Courses		Personal Computer Operator	Certificate	216
CIT 0001	Worker Characteristic	Technical Support Specialist	Certificate	642
CIT 1070	Technology Foundations	Information Technology Network Support Specialist	Certificate	1080
CIT 1010	Orientation and Safety	Information Technology Security Specialist	Certificate	1296
CIT 1020	Computer Concepts	Information Technology System Support Specialist	Diploma	1728
CIT 1030	Introduction to Applications	Information Technology Systems Coordinator	Diploma	2160
CIT 1040	Introduction to Operating Systems			
CIT 1050	Computer Hardware Foundations			
CIT 0002	Worker Characteristic			
CIT 2060	Computer Systems Support Foundations			
CIT 2010	Networking Fundamentals			
CIT 0003	Worker Characteristic			
CIT 3020	Networking Fundamentals II			
CIT 3040	Security Fundamentals			
CIT 0004	Worker Characteristic			
CIT 4010	Advanced Networking			
CIT 0005	Worker Characteristic			
CIT 5010	Pro Networking			

HOW TO APPLY

All Documents Must be Presented Together to Apply

- ⇒ Complete the Free **Application For Federal Student Aid** (FAFSA) online – the website is www.fafsa.ed.gov and our school code is 004025.
- ⇒ Complete **TCAT Knoxville Application for Enrollment** online at <https://apply.tbr.edu/?tcat=knoxville> .
