

# Administrative Office Technology

TENNESSEE COLLEGE

OF APPLIED TECHNOLOGY

The Administrative Office Technology offers a wide selection of career training opportunities in the Administrative, Accounting, and Medical fields. Our graduates meet the constant demand for efficient administrative assistants, computer applications operators, and bookkeepers.

Students will receive one trimester (four months) of training in general office assistant and one trimester in office software. In addition, students will choose an elective in either administrative assistant, accounting assistant, or financial services for their last trimester to complete their training. Administrative Assistant include practicum hours during the last trimester in which the student will be working in field to complete their training.
