

Dental Assisting

The Dental Assisting program prepares students to become members of the dental health care team. The course includes didactic laboratory and clinical instruction. Students receive supervised experience performing procedures using study models, mannequins, and other simulated methods. Students receive three months of supervised experience in the clinical setting performing procedures on dental patients in a dental office.

Upon completion of this CODA accredited program, students will earn a diploma in Dental Assisting and be eligible to sit for the Dental Assisting National Board exam.

Students can earn an additional certificate as a Dental Sterilization Technician after successful completion of 432 hours and the DTA 1060 – Microbiology & Sterilization course in the first Trimester, awarded by TCATK.

Completion Rate 2021: 83%

Placement Rate 2021: 72%

How to Apply

To complete admissions for the Dental Assisting program, applicants must submit all institutional general admissions requirements and Dental Assisting program specific requirements to be considered.

Admission to the Dental Assisting Program is highly competitive, and only a select number of students are enrolled each year. To qualify, an applicant must meet the minimum requirements of the HESI Admissions Assessment Test.

However, this does not guarantee admission.

Our Dental Assisting class will be selected from the highest scores on the HESI test.

General Admissions Requirements submitted to:

Student Services at 1100 Liberty Street, Knoxville TN 37919

- Complete the **Free Application For Federal Student Aid (FAFSA)** online – the website is www.fafsa.ed.gov and our school code is 004025.
- Complete the **Application for Enrollment** form online at www.tcatknoxville.edu and select **APPLY NOW** for the Fall trimester.
- Provide **official, sealed high school transcript** or equivalent
IMPORTANT: If you have foreign transcripts you will need to provide an English translated version of your transcript and have your education evaluated through the National Association of Credential Evaluation Services. Please visit their website at www.naces.org for more information.
- Student must be **18 years of age** by the start of class.
- Proof of below immunizations:
 - o **Measles, Mumps, Rubella (MMR):** 2 series immunization (2 shots) OR a titer showing immunization within the last year's time
 - o **Varicella:** 2 series immunizations (2 shots) OR a titer showing immunization to chickenpox within the last year's time
- Provide current **CPR** card certification from **American Heart Association in BLS** for Healthcare Providers which covers basic life support in infant, child, adult, choking and AED.
- Take and pass the **HESI Exam**. Exam covers Math and Reading Comprehension and the cost is \$40.00. Passing scores are 50 in math and 70 in reading exam.
