

TENNESSEE COLLEGE
OF APPLIED TECHNOLOGY
KNOXVILLE

Diesel Powered Equipment Technology

20 Month Program Offered at Main Campus (Day and Night Classes)
and Anderson County Higher Education Center (Day Classes)

Day Class (M-F, 8:00am to 2:30pm) Night Class (M-F, 3:30pm to 10:00pm)

About

The Diesel Powered Equipment Technology program provides students with the technical instruction and skill development to enable students to enter employment in truck, construction, agricultural equipment, and other related fields as technicians.

By working in the fuel injection lab and on actual diesel powered equipment, students are well prepared to enter the workforce after graduation. The Diesel Powered Equipment Technology program is accredited by the National Automotive Technicians Education Foundation (NATEF).
