

2016-2017 Verification Worksheet

Independent Student - Tracking Group V4

Your 2016-2017 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your spouse (if married) reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attached any required documents, and submit the form and other required documents to the financial aid administrator as soon as possible so that your financial aid will not be delayed.
